

MCI Learning Centre – Room 41

MCI Learning Centre offers the knowledge and skills you need to achieve your educational goals. It's time to open the door to opportunity!

MCI's Learning Centre offers high school course support in a variety of subject areas. If you are requiring additional support and assistance — we can help.

Our Learning Centre can accommodate 8 students. Students that are on preparation periods while attending in-person learning may attend if there is space available. Students who are needing extra assistance and are on home learning days they may sign up to attend.

Students must stay in the room for the duration of the support they are requiring.

Students must come to the Centre with the appropriate learning materials along with an open and positive learning attitude.

Students will be coached in -
