Professionally,

Kyle McKinstry

Student Council President's Report

Done recently

- St Patrick's day events- went well
- Easter spirit week- cut short due to weather
- Movie night- mr gaudet

Plans for rest of the year

- Grass blast- main thing being renewing the tradition, only one grade has done it
- Grad/dance- not necessarily student council activities, but lots of student council members involved
- Plans for a "how to" student council book, more in detail descriptions of both positions in student council and traditions that we have throughout the year- so future councils don't have to remember what has happened years past or make it up as they go along

Derek Thiessen
